

To all my True Brothers and Sisters in Christ,

Just want to share my message to you real quick.

First always remember that God dont want us to be ignorant of Satan's devices and that we should always be sober, vigilant and to be watchful so that we wont be deceived.

Second God wants us to be wise as serpents and harmless as doves.

And last always remember that having a real peace of mind in Christ is NOT about denying the danger, rejecting the danger, or even choosing not to know nor understand what the dangers are because the world considers it as a "negative feeling" therefore has to be avoided. Please understand that this is not wise especially if we are talking about the coming of the Great Tribulation that will come up to this world as stated in Book of Revelations.

Know and understand that God included the Book of Revelation or even in other parts of both of old and new testament about the coming End of the World NOT because God wants us to be fearful but rather for us to prepare ahead of time to solidify our Faith and Trust in Him alone and that we may not be offended when all starts to happen.

Please know and understand this that having a True peace of mind in Christ is about knowing and understanding what the dangers are and yet still have the real peace of Mind in Christ. This is what it trully means to have a true peace of Mind in Christ.

If you want to study the End Times then refer to both old and new testaments. It is important for us to study it so we can prepare and to solidify our Faith and Trust in Him alone. Study books of Revelation, Matthew 24, Mark 13, Luke 21, 1 & 2 Thessalonians, Ezekiel, Daniel, Isaiah, Joel, Amos, Obadiah, and I think Nahum, Habakkuk and Zecariah. Other helpful to study is book of Judges, Proverbs, Jeremiah, Genesis, Jonah(God's chastisement), Job(God's Test of Faith), 1, 2, & 3 John.
